The Hedge Fund Association has been **established to benefit all participants in the hedge fund industry by widening the acceptance and awareness of hedge funds**. Your membership will add to the association's strength in directing educational and public relations initiatives on behalf of the hedge fund industry and lobbying legislators in different countries for more relaxed restrictions on hedge fund investing.

In addition to helping expand the total universe of people who can invest in hedge funds and thus broadening the base of hedge fund business, the association benefits members in other ways. These benefits include:

- meaningful HFA discounts resulting in "no-cost" membership;
- links from the very active HFA Web site to member sites;
- free banner ad on HFA site if a reciprocal banner and link is placed on your site;
- access to a wealth of information, including future database and library;
- member press releases will be posted on our site;
- prestige associated with the use of the HFA logo on your letterhead and literature;
- great networking opportunities; and
- the opportunity to contribute to the hedge fund industry and participate in HFA decision-making.

The Hedge Fund Association consists of three divisions: 1) **Hedge Fund Managers**; 2) **Hedge Fund Allocators**, consisting of investors in hedge funds, including private banks, family offices, pension funds and endowments, and high net worth individuals, etc.; and 3) **Hedge Fund Professionals**, including prime brokers, administrators, banks and custodians, auditors, lawyers, financial consultants and advisors, and marketing representatives, etc.

Each of these divisions has its own five-member advisory board that develops agendas for the association to pursue particular to that division's needs. These five members from each division also serve on the association's board of directors, ensuring that each division is equally heard and represented.

To join the Hedge Fund Association, please fill out the attached application form and fax to 202-478-1999. Or fill in the form on our Web site: www.thehfa.org. The annual membership fee can be wired or paid by credit card or check. Once you are a member you have the benefit of establishing a link from the HFA's Web site to your own.

On behalf of the other members of the Hedge Fund Association, I thank you for filling out the application and sending in payment so that you can begin contributing immediately to the growing force of Hedge Fund Association members.
