Hedge Funds Care/Help For Children's 2014 Open Your Heart to the Children Benefit brings together top executives to support the cause of preventing and treating child abuse.

CHICAGO – JUNE 2, 2014 – On May 8, the Midwest financial community gathered at the 12th Annual Midwest "Open Your Heart to the Children" Benefit organized by Hedge Funds Care/Help For Children (HFC). The event raised over \$670,000, which will be distributed to local Midwest charities that work to prevent and treat child abuse through HFC's rigorous granting process, which is widely recognized as the best in the field.

A highlight of the Chicago social calendar, the Benefit brings together the hedge fund, proprietary trading, private equity, and venture capital communities to provide direct support for local Chicago charities that prevent and treat child abuse. Edward Haravon of Spot Trading and Benji Wolken of Ernst & Young LLP are this year's Midwest Committee of Hearts Co-Chairs.

The 5th Annual Kelly Lively Award for outstanding commitment to the prevention and treatment of child abuse was presented to Sheffield Asset Management, L.L.C.
